## **OUR STRATEGIC AIMS**

By 2018 Scouting will be . . .

### **Growing**

We believe Scouting changes lives, which is why we want every young person in the UK to have the opportunity to get involved.

### **Inclusive**

Because every young person deserves the opportunity to take part in Scouting, we are working to remove barriers to participation.

### **Youth shaped**

We believe that every young person should be able to shape their Scouting experience.

### **Having a positive community impact**

Scouting makes a difference not just to the individual but also wider society.
