## Module Reviews

### Module 7

Module 7, now entitled Scouting for All, has been fully updated. The final version of the [Trainer's Notes](#), [Workbook](#) and [supporting video](#) (Inclusion Matters) are available on Member Resources. Please ensure that your training teams and learners are using the new content.

Updates to the Adult's Personal File and Training Adviser's Guide can also be found in the most recent [Update Pages](#), available on Member Resources, which detail the revised validation criteria. These can also be found in the Workbook.

## Project Updates

### Ongoing safety training

As you will know, we are introducing an ongoing training requirement for safety to sit alongside the ongoing training requirement for safeguarding. The training will need to be completed at least every five years and monitored at the point of review. The training can be offered as a course, a small group session (possibly at the start or end of a short meeting), or as e-learning. The trainers' notes were updated considerably following the pilots and now contain 55-90 minutes of learning. They are now available on [Member Resources](#).

The face-to-face training can be now delivered and recorded on the membership database. A new module called 'SAFETY – Ongoing Safety Training' has been added for this purpose. The Appointment Review (AR) Form has also been updated to ensure that completion of this training can be monitored at appointment review. The e-learning will be made available at the end of April. For more information on all aspects of the ongoing safety training please see the [FAQ document](#). **Please note that the FAQ document has been recently updated, as Question 11 required some clarification.**

## Resource Updates

### **Executive Committee Role Descriptions – factsheet update**

You will see that a number of factsheets for Executive Committee role descriptions have been deleted, updated or renamed. This is the result of a review of all resources to support Executive Committees which has produced updated role descriptions for Chairmen, Treasurers, Secretaries, and Executive Committee Members. These are available to purchase from Scout Shops or can be downloaded from [Member Resources](#).

### **Updated pages for Training Adviser's Guide (TAG) and Adults Personal File (APF)**

Updated pages for both the TAG and APF are now available from Member Resources [here](#). These include updates to the validation criteria for Module 7: Scouting for All, Module 17: Running Safe Activities, and Module 23: Safety for Managers and Supporters.

The updates covered in these updated pages will be incorporated into the full versions of the TAG and APF when these resources are updated later in the year.

### **Volunteer Vacancy Boards now live on the Print Centre**

A new vacancy board and card kit has recently been made available on the Scout Print Centre. The idea of the kit is that you order an A2 board with a set of cards for a number of different vacancies which you can display within plastic wallets on the board. This allows the potential volunteer to take one of the cards as a reference to make contact.

To take a look, log in at [www.scouts.org.uk](http://www.scouts.org.uk) using your normal username and password then click on Print Centre in the My Tools menu. Then choose Vacancy Boards from the list of thumbnails.

Please promote this tool when delivering any training about recruiting adults or engaging parents.
