

# I-PROMISE

...to use gender neutral language

**ACTION:** Ask 'do you have a partner?' rather than assuming there is a wife or boyfriend. Say 'this is for your parents or carer', rather than assuming there is a mum and dad at home.

**WHY?** This sends a clear message that you, and Scouting, welcome LGBT members. This signals to an adult, or young person that they can feel comfortable to be themselves.

Good luck with your Scouting For All challenge!
