

Name

Being NIGHTSMART

ROAD SAFETY ACTIVITY SHEET

WHAT TO DO:

1. Using the local street map, follow the marked route.
2. When you come to a road sign draw it in the boxes and write down what each sign means.
3. Shine your torch on all the signs you see to check if they are reflective, and mark yes or no in the box.
4. On your map, mark where it is a safe place to cross with a tick.
5. After your walk, check your Highway Code to see how many signs you got right.

PLEASE STICK YOUR MAP HERE
 You can download your route map via
