OUR STRATEGIC AIMS

By 2018 Scouting will be . . .

Growing

We believe Scouting changes lives, which is why we want every young person in the UK to have the opportunity to get involved.

Inclusive

Because every young person deserves the opportunity to take part in Scouting, we are working to remove barriers to participation.

Youth shaped

We believe that every young person should be able to shape their Scouting experience.

Having a positive community impact

Scouting makes a difference not just to the individual but also wider society.
